

Paracetamol

NHS
The Royal
Orthopaedic Hospital
NHS Foundation Trust

It is to help:

Pain

How to take it:

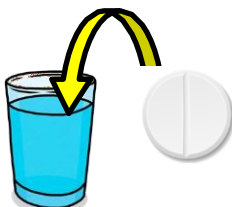

LIQUID

Measure each dose and swallow it

TABLETS

Swallow the tablet with a glass of water

DISPERSIBLE TABLETS

Stir the tablet in a glass of water until it dissolves and drink it

Tell your carer or a doctor straight away if:

You take too much paracetamol by mistake

Do not take any other medicines that contain paracetamol

If you would like to know more:

Ask your nurse, pharmacist or doctor

Or ask your carer to find out more for you from the leaflet inside the medicine box
